Gospel for Asia  
1116 St. Thomas Way  
Wills Point, Texas 75169

To: K.P. Yohannan and the USA Board of Gospel for Asia

The expectancies I have had about my effectiveness as a member of the Board of Gospel for Asia (USA) have come to an end, and, by this letter in conjunction with a prior electronic communication, I conclude my 30 years of service on the Board.

I cherish the love and fellowship of all the members and trust that it will continue.

Your brother,

Gayle Erwin
